Every year the Indiana Polled Shorthorn Ass'n honors one of its members for outstanding service. This year the member selected is George Woods, Frankfort, Ind., and surely no one is more deserving of the honor.

Polled Shorthorns have been a major part of Woodland Farm since 1943 and during that time have won their share of national and state honors, as well as going out to be breed improvers in the herds of Woodland's customers.

A quiet and unassuming man, the advice of George Woods is sought by breeders from throughout the state when important decisions must be made.

The Woods' tradition is being carried on by the youngest son Joe, now active with the Polled Shorthorn herd, and by the older son Tom, who maintains an active interest. Certainly no breed has enough men of the quality of George Woods.

The Club

Shorthorn steers are popular with showmen and judges throughout the country. Shown at left is reserve grand champion steer over all breeds at the Indiana State Fair. He is typical of the quality sold in this sale.

Another half-sister out of the same cow sold in Sutherland's 1966 sale for \$1200 to Bill Hildreth & Sons, Mays Lick, Ky. ROAN LADY BESSIE 2d x—A promising young heifer from one of our most dependable families, the foundation cow being Garson's Roan Lady. The dam, LCF Lady Bessie 2nd x, is one of our best cows and consistently produces fast gaining calves. The sire, Four Dees Good News 11th x, is a bull of modern type with ample size and is a son of Four Dees Good News x, an AAA bull whose sons have sonorayed well for Four Dees Farms. We feel this heifer is very well bred and should make a good brood cow as well as being a good show prospect.
